

**Too much work,
and no vacation,
Deserves at least
a small libation.
So hail! my friends,
and raise your glasses,
Work's the curse of
the drinking classes.**

A TRULY EXCEPTIONAL COLLECTION

*A delicately light and low in calories collection of mixers,
precisely crafted to flatter the spirit of any occasion.*

CLASSIC LONDON
TONIC WATER

A precise balance of sweet citrus notes, pleasantly bitter quinine and distilled juniper essence.

We recommend pairing this modern classic with London dry gins, grain based vodkas and even aged rums.

GRAPEFRUIT & ROSEMARY
TONIC WATER

A precise balance of crisp grapefruit oils and distilled rosemary essence, with a hint of quinine.

This pairs well with citrus led gins and, if you feel adventurous, discover how it complements the bitterness of aperitifs.

BITTER ORANGE & ELDERFLOWER
TONIC WATER

A precise balance of tangy orange oils and distilled elderflower essence, with a touch of quinine.

This complements the ever-expanding range of juniper heavy gins, grape or rye based vodkas and, more innovatively, reposado tequilas.

DELICATE LONDON
GINGER ALE

A precise balance: steeped ginger root with background notes of distilled aniseed essence.

We suggest pairing this with a variety of blended whiskies or, for a contemporary take, try it with a cognac.

PERFECTLY SPICED
GINGER BEER

A precise balance of steeped ginger root, background notes of spice and a distilled essence of hops.

A wonderful combination with vodka, dark rum, bourbon, or try with añejo tequila for a twist.

DELICATE
SODA WATER

A precisely balanced and filtered soda water.

Pair with whiskies to create a smooth finish.
